

Trash/Recycling Cart Information

Derby Code Enforcement staff has observed that your trash or recycling cart is not being stored as required by Derby Municipal Code Section 5.28.090 on days other than your pick-up day.

If you violate these rules, you may receive a “notice of violation” requiring you to appear in Derby Municipal Court. If you are convicted of the violation, the Court may fine up to \$100.

Trash/Recycling Cart Placement

Both trash and recycling carts must be stored behind the front face of your house or inside your garage. The photos at right illustrate the correct and incorrect ways to store your carts.

When to place and remove your carts from the curb

Carts can be placed at the curb no earlier than 2 p.m. the day before service and no later than 6 a.m. the day of service.

Carts should be removed from the curb no later than 9:00 a.m. the day after service.
