

City Council Priorities for the City Manager
February 22, 2022

- 1 *Long-term funding plan for Fire & Rescue and Library*
- 2 *Implement recommendations of the Spring Creek Watershed Study*
- 3 *River bridge at 95th street (ARC95)*
- 4 *Develop options for improved public transit*
- 5 **Explore dissolution of El Paso Water Company**
- 6 **Development of Parks Master Plan**
- 7 **ARPA Project Development**
- 8 **Water Treatment Plant/Wastewater Treatment Plan Master Plan Projects**

Bold = Just added to the list

Italics = Working on

Watch List (in no particular order)

- A Assess policy options for drought-resistance or water conservation
- B Chip site cost/benefit, future direction & green waste
- C Research & develop regulations on short-term rental homes (AirBnB, etc.)
- D Redistricting: update City Council ward boundaries per Census 2020 results
- E Implement the Tax Increment Financing District Project Plan (Patriot & Nelson Drive)
- F Consider options to allow golf carts on residential streets citywide
- G **Community Survey Process**
