Residents can seek testing through their medical provider or other COVID-19 testing sites listed on the SCHD website that displays non-holiday hours ([www.sedgwickcounty.org/covid-19/sampling-and-testing-information/](http://www.sedgwickcounty.org/covid-19/sampling-and-testing-information/)).

**SCHD Testing Site Procedures**

- Masks are required inside the testing site for people aged 2 years and older.

- Testing is performed on people with or without symptoms.
- People who have tested positive within the last 10 days should not enter the testing site. They should isolate away from others at home.
- People who test positive should wait 90 days before testing again.
- Family members of COVID-19-positive people can be tested on day six after the family member completes their isolation period.
- People who are having trouble breathing should seek medical care at another facility.

### **About Sedgwick County**

The mission of Sedgwick County is to cultivate a healthy, safe and welcoming community through exceptional public services, effective partnerships and dedicated employees. Founded in 1867, the County has steadily grown to span 1,008 miles, has a population of over 516,000 people and contains 20 cities, including Wichita, the largest city in Kansas. The 2022 Adopted Budget of \$483.6 million focuses on appropriate compensation for employees throughout the organization as well as adding resources for increases in the cost of doing business and continued recovery from the COVID-19 pandemic. Sedgwick County's values of Trust, Integrity, Collaboration, Compassion and Innovation back the strategic plan that focuses on delivering the best services possible that are sustainable and manageable under the current economic and health crisis.
